

Become a Friend of ARCH

How do I become a Friend ?

We ask for a £5.00 donation to become a friend of ARCH. Simply fill in the form overleaf, and if you tick the gift aid box we will be able to reclaim the tax on your donation too.

How else can I help ARCH ?

We welcome your support for all our activities and are always interested to hear from those who can offer practical help with events, fundraising, administration and other aspects of sustaining our work. Please fill in the form attached to this leaflet and tell us how you would like to help us.

What are the benefits of being a friend?

As well as knowing that your contribution will sustain ARCH to enable people throughout the Highlands to become involved in preserving and celebrating their heritage, you will also be invited to join the board and staff members for an annual Friends' Day and a Friends' Lecture' sharing new findings from our projects - a chance to meet fellow friends and share the excitement of experiencing some of the sites and features that make up our rich archaeological heritage.

Become a Friend of ARCH
Your support will help us to keep working with communities throughout the Highlands; enabling people of all ages and abilities to become more actively involved with their local heritage.

Friends of ARCH
*Bringing people and heritage
together throughout the Highlands*

'Thanks ARCH you have inspired me!'

We are:
A charity dedicated to supporting people in the Highlands to learn about, record and become involved in their local heritage.

We do this by working with individuals, local groups and agencies and supporting people to learn about, record, and become involved in their heritage.

We:

- ✍* give people of all ages and abilities the opportunity to learn about the rich archaeological heritage of their communities
- ✍* provide opportunities for people to record the past using photographs, drawings, plans and memories. - making these widely available on websites, through social media, Historic Environment Records, and in local archives, libraries and museums
- ✍* provide a range of activities to suit all interests - including courses, surveys, excavation, working with artefacts, archival research, creating exhibitions and working in partnership with other groups
- ✍* provide tools, knowledge, support and increased confidence to enable people to contribute to regional and national records and manage their local heritage.

Name :

Address :
